FIXED TECHNOLOGIES

Certificate of Completion

This certifies that Isha Gohil has successfully completed the Four month Internship Program at Fixed Technology. Throughout the internship, Isha Gohil has exhibited exceptional dedication, professionalism, and enthusiasm in their role. They have demonstrated proficiency in C++, Python, and computer vision, contributing significantly to the team's projects and objectives.

During their tenure at Fixed Technology, Isha Gohil actively collaborated with the team on ongoing projects, leveraging their expertise in programming languages and computer vision technologies. They consistently demonstrated strong problem-solving skills and innovative thinking, effectively addressing challenges and contributing valuable insights to project discussions.

Moreover, Isha Gohil displayed excellent communication and interpersonal skills, fostering positive working relationships with colleagues and stakeholders. They were proactive in seeking feedback and continuously striving for improvement, reflecting a commitment to personal and professional growth.

Overall, Isha Gohil has made invaluable contributions to Fixed Technology, embodying the company's values of excellence, teamwork, and innovation. We are confident that the skills and experiences gained during this internship will serve as a solid foundation for their future endeavors in the field of technology and computer science.

Start date of Internship was 1st Jan, 2024 to 30th April, 2024
